

## ADVANCED CERAMIC SOLUTIONS

Our ceramics are pre-engineered to fit specific applications with no gaps between tiles, ensuring a long-lasting lining. Our ceramics can be designed in any shape or size and offer superior strength, wear resistance, and durability.

### CUMI Advantage

**Material properties:** we leverage cutting-edge R&D and innovation in material science to deliver superior ceramic solutions.

**One-stop-shop:** we offer comprehensive project management, from design to onsite maintenance, ensuring seamless integration and optimal performance.

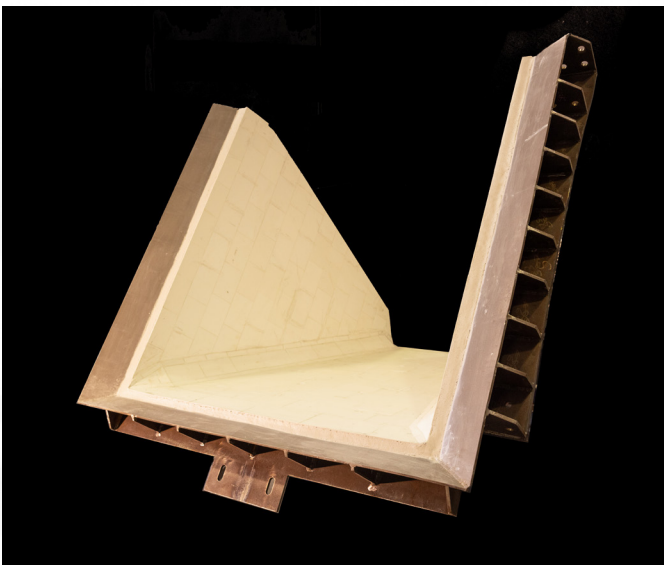

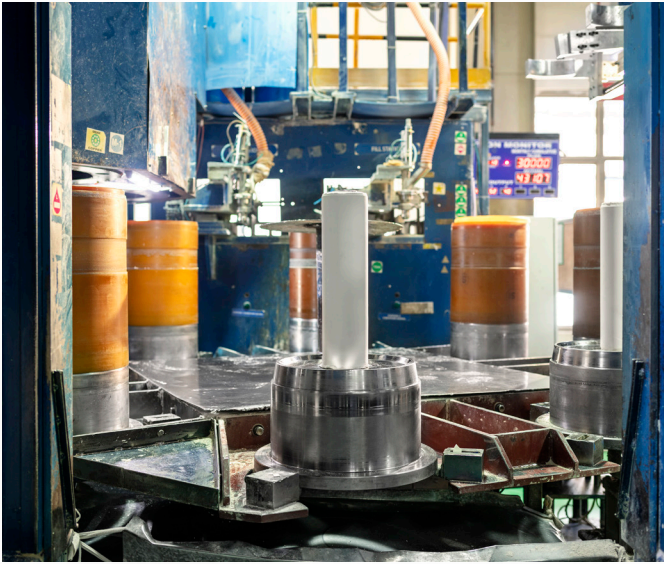

**Precision Engineering:** Our in-house engineering team ensures fast and seamless production and replacement of components

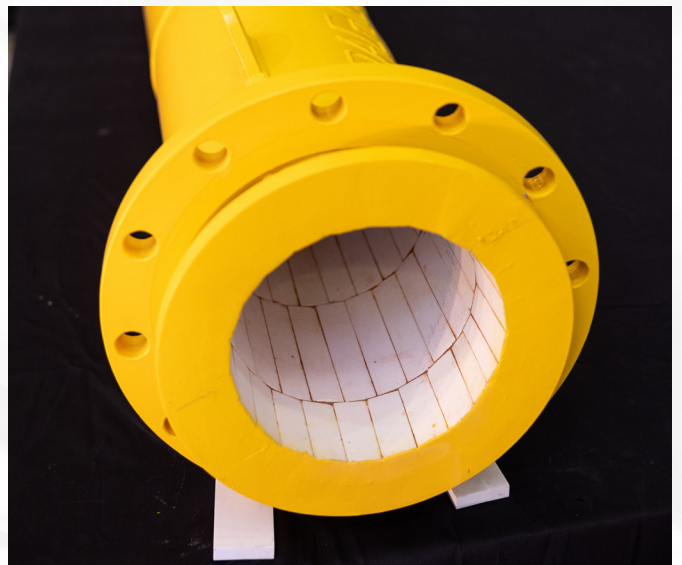

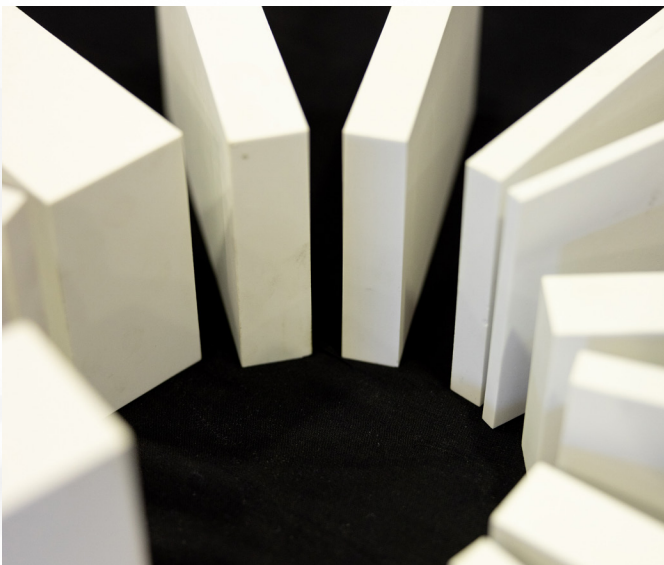

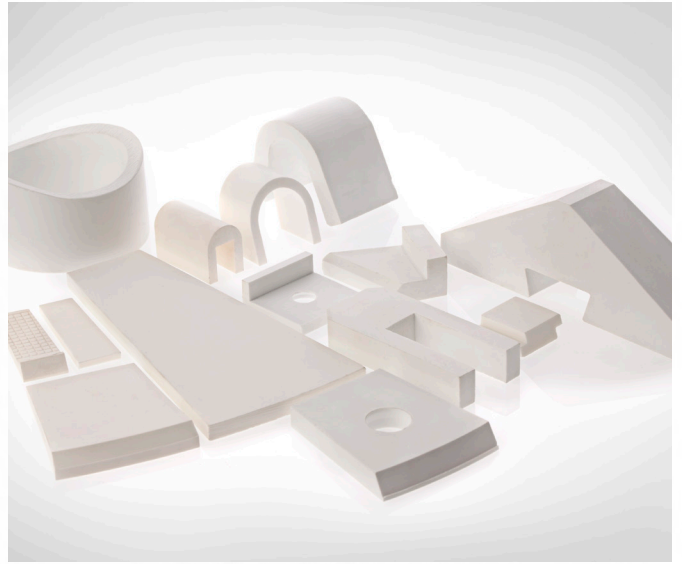

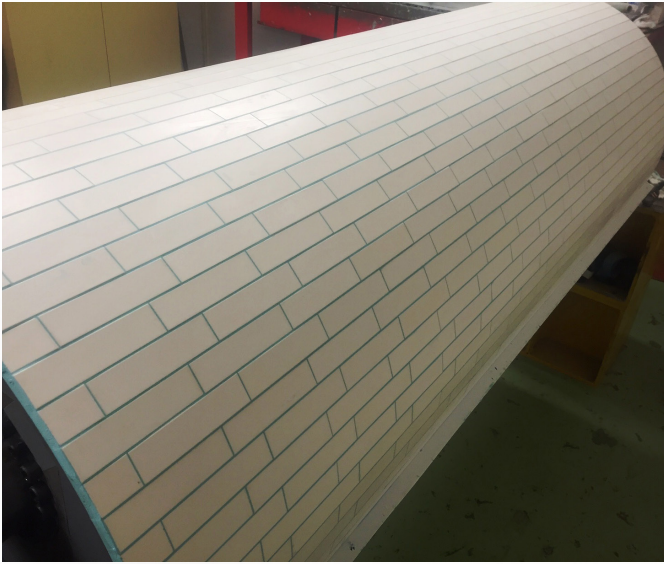

**Proven performance:** We have over 20 years of experience operating in Australia, backed by the Murugappa Group in India, and hold the largest import market share of ceramics.

## A GLOBAL LEADER IN ENGINEERED CERAMICS

Ceramic Tile Grades	CUMITUFF, CUMIXTRATUFF, CUMIULTRATUFF, CUMIXTREME, CUMIZIRTUFF
Ceramic Thickness	Made to suit your requirements
Ceramic Shapes	Made to suit your requirements
