

COMPLETE CONVEYOR BELT REPAIR KIT

UR-90CN

CATEGORY:
Repair

PRODUCT CODES:
UR9CNPK - 300g
UR9CNQK - 750g

TYPE:
Polyurethane (Black)

PRODUCT OVERVIEW

The UR-90CN Complete Conveyor Belt Repair Kit offers a comprehensive solution for durable rubber repairs. It comes with top-quality mixing and application tools, a rubber primer, and a cleaning solvent to ensure effective and long-lasting repairs, with minimal downtime. The kit features a low-free prepolymer formula, with ultra-low VOCs, enhancing health and safety concerns. Choose between two sizes: 300g and 750g.
